

# Charlie Crisp for Men's Officer

Proposed by Mrinank Sharma,  
Seconded by Louis Slater

I'm an approachable 2nd year Computer Scientist who  
likes to help people

## Mental Health

- Putting a focus on tackling mental health issues throughout term time, and particularly during exams
- Making sure people are aware of the support which is available to them from the College and University
- Providing more frequent and available mindfulness classes
- Collaborate with mental health groups to raise visibility and reduce stigmas

## Men's Health

- Maintaining easy access to condoms as sexual health supplies for all members of the college
- Providing open and clear information about all issues related to men's health

## Events

- Working with the welfare team to ensure Consent Workshops are as effective as possible
- Movember (Well what do you expect?)
- Liaising with Men's Welfare Officers to organise inter-collegiate welfare events
- Organising events to improve the community spirit in Pembroke. Film nights, game nights - I'm open to suggestions!

## Why Me?

- I've got a good relationship with College after taking part in the Telephone Campaign
- Organisational Experience - Hack Cambridge 2017, Engineering Soc Ball 2016, multiple Microsoft Workshops
