

Elliott Lindsay for Sports Officer

Sport is an integral part of college life. It creates friendships, promotes teamwork and helps de-stress. But most of all sport is fun!

I row for the college and play hockey for both Pembroke and the University; sport is a large part of my life and I am eager to promote it at all levels.

Sports Noticeboard

Keeping up to date with all college sports is difficult. I will maintain a noticeboard informing you of key fixtures, results and league tables etc.

Pembroke Varsity

Many colleges organise annual 'mini-varsity' days, against their sister colleges in Oxf*rd, in all major sports. Pembroke is twinned with The Queens' College. I will endeavour to organise a varsity because there's nothing quite like beating the other place!

New Sports

Do you play a sport that Pembroke does not cater for? I will liase with other colleges to ensure that you can continue playing that sport. If interest is high enough I will also help you set up a new club and acquire funding.

The Gym

The is the big one. A lot of good work has already been done to the gym but there is still room for improvement.

I will take your feedback and continue making changes accordingly... free weights anyone?
