

Dear Economics freshers,

Hi! I'm Charlotte, a second year economics student at Pembroke and your econ rep.

First of all, major congrats on meeting your offer!

I'm mainly here to organise subject things, to be a friendly face around college and help with any concerns about economics you may have.

I'll be getting in touch soon to confirm details about the subject lunch - it'll be on the Monday of freshers week and give you an opportunity to meet the other econ students at Pembroke!

Feel free to email me with any questions you may have. You'll be able to get your books sorted in the first few weeks of term and don't worry about doing any recommended or textbook reading before you come.

I hope you enjoy the rest of your summer and I look forward to meeting you soon!

Best wishes,
Charlotte
